

introducing the agent Amplifier

Product Benefits

The **agent Amplifier** provides you with great flexibility for incoming and outgoing calls, enabling precise volume and control options for use within noisy environments. The device is easy to use and will vastly improve the quality of your calls when using your headset in conjunction with a compatible deskphone.

agent has become one of the fastest growing headset brands in the UK. Our cost effective, high quality headsets have enabled call centres and offices to experience higher levels of productivity and efficiency, which allows them to provide a better customer experience.

Product Features

- Robust construction
- Carbon setting available

- Headset stand included
- 2 year warranty
