

Premium headset with ultra noise-cancelling

Agent AG-1

Agent AG-2

Connects to:

The AG series represents Agent's premium range of headsets and are designed for use in high traffic call centres and busy offices. Built-in ultra noise-cancelling microphones perform faultlessly in noisy environments and the die cast aluminium construction makes them both lightweight and robust enough for intensive long term use.

Features		Benefits
User Interaction	The AG-1 single earpiece The AG-2 dual earpiece	Allows the user to interact with colleagues during calls Allows the user to concentrate more on calls and filters out general office noise
Design	270 degree rotation microphone boom Adjustable headband Flexible microphone boom Soft leatherette earpads Removable earpads Lightweight aluminium construction Robust construction	Allows the unit to be used for either the left or right ear Ensures the headset is optimised for use and comfortable to wear for extended periods Ensures the microphone can be placed in the optimal position to ensure the user's voice is picked up clearly Makes the headset comfortable and blocks out a higher level of ambient noise Allows the headset to be serviced and cleaned Makes the unit comfortable to wear all day The headset will cope with rigours of the modern office environment
Technical Specification	Crisp clear sound Ultra Noise-cancelling microphone Wideband frequency	Ensures a greater call experience Filters out background office noise for the caller in even the busiest workplaces Creates a more rounded natural sound for the caller and user on supported lines
Protection	Acoustic shock protection for user	Prevents noise levels exceeding 118db thereby protecting the user from potential hearing damage
Connectivity	Quick Disconnect cable	Allows the unit to be used with all QD enabled devices
Product Quality	3 year warranty CE approved	Provides peace of mind should anything go wrong Ensures the product is built to the highest standards
